SURVEY

**Acceptance of H. R. Collins Laboratory
*Core and Cuttings Use Policy and Liability Waiver***

I, the undersigned, have requested permission from the Ohio Department of Natural Resources (ODNR) – Division of Geological Survey to use the laboratories and core and sample repository at the H. R. Collins Laboratory on _____ (month/day/year)

for the purpose of _____

_____.

I have read and agree to abide by the provisions specified in the *Core and Cuttings Use Policy* and the *General Policies for Use of Laboratory Facilities and Core and Sample Repository* on the website of the ODNR – Division of Geological Survey. In addition, I understand that as a user of the laboratories and core and sample repository at the H. R. Collins Laboratory, I and the organization I represent:

- (1) Assume responsibility for all actions and consequences arising from my/our usage of the laboratory facilities and core/sample repository at the H. R. Collins Laboratory;
- (2) Agree to accept responsibility for any and all losses, costs, or damages to the laboratories, the core/sample repository, and any equipment therein as a result of our usage thereof; and
- (3) Forever release and waive any and all claims we may ever possess or assert against the State of Ohio, ODNR, the Division of Geological Survey, and all employees, agents, officials, and contractors and attorneys of same arising from our use of the laboratories and core and sample repository.
